## **Case Management Information**

## **Courtroom Rules**

- Mobile devices must be turned off before entering the courtroom.
- Please provide advance notice when you require teleconferencing, intend to utilize the courtroom's video displays, or have other presentation technology questions.
- Attorneys and parties should conduct themselves with decorum and manners. This is primarily for your own benefit: jurors, courtroom staff, and public observers consistently state that they prefer a civil and collegial relationship between opposing parties and counsel.
